How many of us would be prepared if our dog suffered heat stroke on the way to a show? Or collapsed while working or playing in the field? Or was injured? Could you perform CPR on your Boxer? How about CPR on a Yorkie?

Topics covered include:

- **How to perform CPR** on large and small dogs, utilizing mannequins to learn the correct skills
- **Symptoms and care** for common ailments and emergencies
- Instructions for **creating a pet first aid kit**, giving medications and how to recognize emergencies
- **Tips on maintaining your pet's health and well-being**
- **First aid guidance** on caring for nearly 70 canine health conditions

**American  
Red Cross**

Serving King & Kitsap Counties

In this four-hour class what you learn could save your pet's life. There is no "animal 911" to call. So it is up to you to be prepared if disaster strikes.

**REFERENCE GUIDE  
& DVD INCLUDED**

Your enrollment fee **INCLUDES** the **American Red Cross reference guide "DOG FIRST AID" containing a 30-minute DVD** that features step-by-step instructions on safety procedures, disaster preparedness and dealing with medical emergencies.

Seminar is for humans-only and is  
**OPEN TO THE PUBLIC**

**Space is limited. Register today!**  
**\$50 enrollment fee must be received by  
January 20th to secure your seat.**
